Hull Configuration: Displacement

Superstructure: Tri-deck +

Stabilisers underway, Air conditioning, Stabilisers at anchor, Wheelchair accessibility, Deck Jacuzzi, Elevator/lift, WiFi connection, Gym/exercise equipment

STARFIRE isn't just a yacht—she is an experience like no other. Built by Lürssen, she's larger-than-life and now virtually brand new after a top-to-bottom 2025 German refit. If you're looking for a place where luxury meets adventure, where every detail has been considered but nothing feels overdone, this is it. At 240' (73m) in length, STARFIRE is built for those who want it all—laid-back mornings with a coffee in the observation lounge, high-energy afternoons packed with water sports, and nights spent dining under the stars with the best crew in the business

making it all happen seamlessly.

One of STARFIRE's most unique features is her sheer sense of space. Her vast interior volume, spanning five levels, rivals yachts in the mid-80m range, with beautifully finished woodwork, elegant furnishings, and thoughtful design elements that create an inviting, timeless and completely relaxed aesthetic. Throughout STARFIRE, she benefits from unusually high ceilings which adds to the overall feel of spaciousness. The main salon, with its floor-to-ceiling windows, offers a luxurious yet cozy setting for socializing, featuring a beautifully carved Zuretti bar and inviting seating. The upper decks house multiple lounges, including a forward observation room, one of the best spots onboard for watching the world go by whether seated inside or out. A dedicated children's area which can transform into a stylish lounge or disco, adds another layer of versatility. Other standout features include an English pub with darts and enclosed video arcade, indoor and under the stars outdoor cinemas, and a private gaming room. Bespoke teak and stainless furniture has been designed entirely for STARFIRE by renowned yacht furniture company Siebensee. Throughout STARFIRE there has been an emphasis on creating numerous small, quiet locations where guests can sneak away for work, calls, reading or just relaxing. In short, STARFIRE lets your imagination run wild.

Key Features

- 1** Timeless design, craftsmanship and Lurssen build quality
- 2** Re imagined and in brand new condition after a year long refit and aft extension
- 3** A glass enclosed, wellness deck featuring a fully equipped gymnasium, sauna, cold plunge pool and massage area
- 4** Pool deck offering a counter current swimming pool that transforms into a Jacuzzi with enough space for all 12 guests, multiple lounge options and a basketball hoop and deck area.
- 5** An upper deck Observation lounge with endless panoramic views
- 6** A main deck master suite with a private office and a forward observation lounge and gym
- 7** A bridge deck junior master with 4 VIP suites downstairs and a twin bunk room, allowing for versatile sleeping arrangements
- 8** Established crew of 20 who love what they do.
