Built by pedigree Feadship, OLYMPUS remains one of the most accomplished yachts ever delivered by the Dutch yard. At 55 metres with an exceptional 881 GT, she offers the volume and amenities typically found on much larger yachts. Her extraordinary size allows for expansive deck spaces, generous interior salons, and a level of versatility rarely seen in this class.

Launched in 1996, OLYMPUS was fully refitted in 2023, including a \$10 million structural and technical upgrade, a full

hull repaint, and upgraded zero-speed stabilisers. These improvements ensure she combines her classic pedigree build with modern levels of comfort, safety, and reliability.

OLYMPUS' interior is a celebration of colour, craftsmanship, and artistic flair. Original works selected by Andrew Winch draw inspiration from Matisse and other modernist artists, creating a décor that feels vibrant yet timeless.

Accommodation aboard is exceptional for a yacht of this size.

OLYMPUS features eight cabins, allowing flexible arrangements for up to 12 guests. The forward-facing main deck master cabin enjoys panoramic 180-degree views and includes a private study, hair salon, walk-in wardrobe, and his-and-hers bathrooms with a shared whirlpool bath. A private staircase connects directly to the lower deck, making it ideal for families.

The VIP cabin, located on the upper deck, can function as a completely private VIP apartment or second master cabin, with the bridge deck lounge and aft deck able to be closed off for exclusive use. The lower deck houses six additional guest cabins: two doubles, two twins with Pullman berths, and two single cabins, ideal for children, staff, or nannies. Guests are attended by a highly professional crew of 16, and an elevator serves all decks, including the sundeck.

The exterior is sleek and timeless, with smooth lines complemented by bold square windows that provide a striking modern touch. OLYMPUS boasts a variety of outdoor spaces,
